## Who we are

MyPlanner is a privately owned Australian Financial Services (AFS) Licence holder.

Our mission is to provide clients like yourself with high quality advice that you can rely on to help remove uncertainty in your life, thus positioning you to meet your needs and objectives.

## Our responsibility

Your adviser provides financial advice and services on behalf of MyPlanner and accordingly we are responsible for the financial advice and services they provide.

Our advisers are committed to providing quality financial advice and a wide choice of products and/or services to suit individual client circumstances.

Your adviser is obliged by law to act in your best interests and provide appropriate advice, when providing financial advice to you.

As part of our commitment to you, MyPlanner advisers adhere to the Codes of Ethics/Conduct of professional associations such as the Financial Planning Association of Australia and the Association of Financial Advisers.

## The adviser profile

Prior to providing any personalised financial advice products and/or services our advisers are required to provide you with a copy of this FSG along with an Adviser Profile.

The Adviser Profile contains important information about your adviser. This includes their Authorised Representative number and/or Corporate Authorised Representative number (if applicable), accreditations, qualifications and experience, areas of advice and types of financial services they can provide, details of how they get paid and fees that you may be charged.

If you have not received an Adviser Profile, please ask your adviser for a copy or contact us (see page 7 for contact details).

## How we work with you

We have a fundamental principle to act in your best interest. It is critical that your financial planner ascertains that any recommendations he/she makes are appropriate to your individual needs and circumstances.

We encourage you to be open and honest with the information you provide and understand that personal, family and business issues can be quite private. We stand by our promise to maintain your privacy as detailed in our Privacy Policy.

If incomplete or inaccurate information is provided to us we may not be able to provide advice to you or you may be provided with advice that is not appropriate to your needs.

If you have needs outside of the experience level of your financial planner or he/she cannot access products that are not in your best interests, they may seek assistance from the MyPlanner network of financial planners to try and obtain suitable support.

If your Planner is unable to access suitable professional connections that provide appropriate support in your best interests then you will be informed that advice cannot be provided to you.

Once we agree with you on the scope of the advice you require and the costs involved for this advice we will ask for your agreement to pay even if you decide not to proceed and implement our advice recommendations.

We aim to build enduring relationships with all our clients by providing quality services that meet their changing needs in life. The initial stages of preparing financial advice for you are outlined in the chart below. However, it is important to remember that the best financial advice adapts to meet your changing needs and priorities over time. Continually reviewing your strategy is essential.

## Documents you may receive

If you decide to obtain personal financial advice, your adviser will need to determine your needs, objectives and relevant financial circumstances.

At the initial advice appointment, your adviser will typically gather the relevant information by using a client data collection form. You will be asked to provide accurate information about your personal and financial situation and keep your adviser informed of any changes to your relevant circumstances.

Your adviser will also need to verify your identity.

When your adviser provides personal financial advice to you, you may receive one or more of the following documents:

- Letter of Engagement
- Statement of Advice (SoA)
- Statement of Further Advice (SoFA)
- Record of Advice (RoA)
- Product Disclosure Statement (PDS)
- Fee Disclosure Statement (FDS)
- Renewal Notice

The SoA will set out the advice that has been tailored to your specific circumstances and provide you with details of all relevant disclosures including details of any remuneration payable.

Where you receive ongoing or further advice a SoFA and RoA may be provided.

A PDS will be provided if a product recommendation is made and includes detailed information on the financial product including features, benefits, conditions, costs and cooling off rights (if applicable).

An FDS will be issued to you in instances where you enter into an Ongoing Fee Arrangement with your adviser for a period greater than 12 months. The FDS will contain information about the services you were entitled to receive, the services you actually received and the fees you paid during the period. The FDS will be provided to you annually.

Should you commence an ongoing fee arrangement for the first time after 1 July 2013 (or in circumstances where the ongoing fee arrangement is significantly varied after 1 July 2013), your adviser will also issue a Renewal Notice every 2 years. The Renewal Notice will give you the option of renewing the ongoing fee arrangement.

You may request in writing a copy of any advice document up to seven (7) years after the advice has been given.

## How to give instructions

Your adviser may accept your instructions by phone, letter, email or fax. In some instances, your adviser can only accept written instructions from you and they will let you know when this occurs.

## Your privacy

Your adviser is required to maintain physical or electronic records of documentation for any financial advice given to you, including information that personally identifies you and/or contains information about you.

These records are required to be retained for at least seven (7) years. If you want to access your personal information at any time, please let us know. You have the right to not to provide personal information to your adviser. However, in this case, your adviser will warn you about the possible consequences and how this may impact on the quality of the advice provided. Additionally, your adviser may also decline to provide advice if they feel they have insufficient information to proceed.
